3, 3'-Diindolylmethane (DIM)

Abelmoschus esculentus

Abies alba

Abies balsamea

Abies pectinata

Acacia sp.

Acacia arabica

Acacia nilotica

Acacia rigidula

Acacia senegal

Acacia verec

Acanthopanax senticosus

Acca sellowiana

Acer saccharum

Acetyl L-carnitine

Achillea millefolium

Achras zapota

Actinidia arguta

Actinidia chinensis

Actinidia deliciosa

Adhatoda vasica
Aegopodium podagraria
Aframomum melegueta
Agaricus blazei
Agathosma betulina
Agave salmiana
Agave sisalana
Agave tequilana
Agmatine (4-aminobutyl) guanidine sulfate
Ajuga reptans
Alaria sculenta
Albatrellus ovinus
Albizia julibrissin
Allium fistulosum
Allium ramosum
Allium tuberosum
Aloe barbadensis
Aloe ferox
Aloysia citrodora
Alpha-Ketoglutarate Calcium
Alpinia galanga
Alpinia speciosa
Althaea officinalis

Amaranthus caudatus
Amaranthus cruentus
Amaranthus edulis
Amaranthus flavus
Amaranthus hypocondriacus
Amaranthus leucocarpus
Amaranthus mantegacianus
Amaranthus paniculatus
Ambrosia artemisiifolia
Amelanchier alnifolia
Amomum compactum
Amomum galanga
Andrographis paniculata
Angelica archangelica
Angelica dahurica
Angelica pubescens
Angelica sinensis
Aniba canelilla
Annona cherimola
Annona muricata
Annona reticulata
Annona squamosa
Antennaria dioica

Anthemis nobilis
Aphanizomenon flosaquae var. *flosaquae*
Apis mellifera
Arabinogalactan
Arbutus unedo
Arctium lappa
Aristotelia chilensis
Arthrospira platensis
Artocarpus altilis
Artocarpus communis
Artocarpus heterophyllus
Artocarpus incisa
Artocarpus integrifolius
Ascophyllum laevigata
Ascophyllum nodosum
Asimina triloba
Asparagus racemosus
Aster tripolium
Astragalus membranaceus
Atriplex hortensis
Auricularia polytricha
Backhousia citriodora
Bacopa monnieri

Bactris balanoidea

Bactris major

Bambusa sp.

Barosma betulina

Basella alba

Basella rubra

Bertholletia excelsa

Betula alba

Betula alleghaniensis

Betula alnoides

Betula pendula

Betula pubescens

Bignonia lactiflora

Bignonia rigescens

Bixa orellana

Borojoa patinoi

Borojoa sorbilis

Boswellia serrata

Brassica eruca

Brassica juncea

Brassica nigra

Brewer's spent grain

Cajanus cajan

Calluna vulgaris
Camelina sativa
Camellia furfuracea
Camelus dromedarius
Canarium ovatum
Cannabidiol
Cannabinoids
Cannabis sativa L.
Capparis rupestris
Capparis spinosa
Capsicum frutescens
Carduus benedictus
Carica papaya
Carissa carandus
Carnosine
Carthamus tinctorius
Carum carvi
Castanea mollissima Blume
Catimbum nutans
Centaurea cyanus
Centella asiatica
Centrophorus squamosus
Ceratonia siliqua

Cervus elaphus
Cetraria islandica
Chamaemelum nobile
Chenopodium pallidicaule
Chenopodium quinoa
Chioca
Chlorella luteoviridis
Chlorella pyrenoidosa
Chlorella vulgaris
Chondrus crispus
Chrysanthellum americanum
Chrysanthemum parthenium
Cinnamomum verum
Cinnamomum zeylanicum
Cistanche deserticola
Cistus incanus
Citrus aurantium
Citrus junos
Citrus mitis Blanco
Clinoptilolite
Cnicus benedictus
Cnidium monnieri
Codonopsis pilosula

Coffea sp.

Cola nitida

Coleus forskohlii

Collagen

Colocasia antiquorum

Colocasia esculenta

Colostrum

Combretum micranthum

Commiphora subglauca

Conjugated linoleic acid

Consolida regalis

Cordyceps dongchongxiacao

Cordyceps sinensis

Coriolus versicolor

Cortinarius caperatus

Corylus avellana

Costus zerumbet

Crataegus laevigata

Crataegus oxyachantha

Crataegus pinnatifida

Creatine Citrate

Creatine Pyruvate

Crepidula fornicata

Crocodylus niloticus
Cyclopia sp.
Cyperus esculentus
Daucus carota
Daucus gingidium
Delphinium consolida
Dendrobium nobile
Dendrocalamus asper
Dendrocalamus latiflorus
Desmodium gangeticum
Dioscorea alata
Dioscorea esculenta
Dioscorea opposita
Dioscorea rotundata
Distictis lactiflora
Distictis rigescens
Dolichos lablab
Dolichos purpureus
Durio zibethinus
Echinacea purpureae
Ecklonia bicyclis
Eleocharis dulcis
Eleutherococcus senticosus

Emblica officinalis
Empetrum nigrum
Enteromorpha sp.
Epimedium brevicornum Maxim
Epimedium grandiflorum
Epimedium macranthum
Epimedium sagittatum
Equisetum arvense
Eragrostis tef
Eriobotrya japonica
Eruca sativa
Ethyl esters (concentrated from fish oils)
Eugenia floribunda
Eugenia michelii
Eugenia uniflora
Euphausia superba
Eurycoma longifolia
Euterpe edulis
Euterpe oleracea
Feijoa sellowiana
Ferula hermonis
Festuca arundinacea
Foeniculum vulgare

Fucus nodosus
Fucus serratus
Fucus spiralis
Fucus vesiculosus
Ganoderma lucidum
Garcinia cambogia
Garcinia mangostana
Gentianella alborosea
Gigantochloa albociliata
Gigantochloa levis
Ginkgo biloba
Globba nutans Redoute
Glucosamine sulphate
Gossypium sp.
Gracilaria verrucosa (Hudson)
Grifola frondosa
Gypsophila struthium
Hamamelis virginiana
Harpagophytum procumbens
Helianthus annuus
Helix aspersa maxima
Hesperidin
Hibiscus esculentus

Hieracium pilosella
Himantalia elongata
Hippophaë rhamnoides
Hirneola polytricha
Hizikia fusiforme
Hoodia gordonii
Hordeum vulgare
Hovenia dulcis
Hydnum repandum
Hydrocotyle asiatica
Hydroxy Citric Acid
Hygrophorus camarophyllus
Hylocereus megalanthus
Hylocereus undatus
Hypoxis hemerocallidea
Hypoxis rooperi
Hyssopus officinalis
Ilex guayusa
Ilex kudingcha
Ilex paraguariensis
Inonotus obliquus
Ipomoea aquatica
Ipomoea batatas

Ipomoea hederacea

Irvingia gabonensis

Jessenia bataua

Juglans regia

Juniperus communis

L-citrulline malate

Lablab purpureus

Lactarius deliciosus

Lactarius deterrimus

Lactarius rufus

Lactarius torminosus

Lactarius trivialis

Lactarius utilis

Lactulose

Laminaria digitata

Laminaria japonica

Laminaria longicuris

Laminaria saccharina

Langemannia gigantea

Languas speciosa

Laurus nobilis

Lavandula angustifolia

Lavandula officinalis

Leccinum aurantiacum

Leccinum versipelle

Leccinum vulpinum

Lemna minor

Lentinula edodes

Lentinus edodus

Lepidium meyenii

Lepidium peruvianum

Leuzea carthamoide

Linum usitatissimum

Lippia citrodora

Lippia triphylla

Lithothamnium calcareum

Lucuma obovata

Lupinus albus

Lupinus angustifolius

Lupinus luteus

Lutein

Lycium barbarum

Lycopene

Macadamia intergrifolia

Macrodiscus lactiflorus

Malpighia glabra

Malpighia puniceifolia
Malus communis
Malus sylvestris
Mangifera indica
Manihot esculenta
Manihot utilissima
Manilkara achras
Manilkara zapota
Manilkara zapotilla
Medicago sativa
Mespilus germanica
Methyl Sulphonyl-Methane
Momordica charantia
Momordica grosvenorii
Monarda didyma
Monascus albidus
Monascus anka
Monascus araneosus
Monascus major
Monascus purpureus
Monascus rubiginosus
Monascus vini
Moringa oleifera

Morus alba
Morus nigra
Musa acuminata
Musa nana
Myrciaria divaricata
Myrciaria dubia
Myrciaria floribunda
Myrciaria protracta
Myrothamnus flabellifolia
Nasturtium officinale
Nauclea aculeata
Nauclea tomentosa
Nelumbo nucifera
Nepeta tenuifolia
Nephelium lappaceum
Nigella sativa
Ocimum sanctum
Ocimum tenuiflorum
Oenothera biennis
Olea europaea
Olivella spinosa
Omega-3 fatty acid-lysine salt
Opuntia ficus-indica

Origanum minutiflorum
Origanum vulgare
Orthosiphon stamineus
Oryza sativa
Oxalis tuberosa
Oxycoccus macrocarpus
Oxycoccus quadripetala
Oxytenanthera albociliata
Ozohallila nodosa
Paeonia officinalis
Palm sugar
Palmaria palmata
Panax notoginseng
Panax ginseng
Panax pseudoginseng
Panax quinquefolius
Passiflora edulis
Paullinia cupana
Penicillium oxalicum var. armeniaca
Perilla frutescens
Perna canaliculus
Persea americana
Persea gratissima

Persica vulgaris

Pharbitis hederecea

Phaseolus angularis

Phaseolus coccineus

Phaseolus cylindricus

Phlebodium aureum

Phosphatidyl-serine

Phyllanthus emblica

Phyllostachys edulis

Phyllostachys pubescens

Physalis peruviana

Physocaulon nodosum

Picea abies

Pinitol

Pinus balsamea

Pinus koraiensis

Pinus pinaster

Pinus sibirica

Pinus sylvestris

Piper nigrum

Plantago afra

Plantago indica

Plantago ispaghula

Plantago ovata

Plantago psyllium

Pleurotus ostreatus

Polyacetyl-glucosamine

Polydextrose

Polymnia edulis

Polymnia sonchifolia

Polypodium aureum

Polypodium leucotomos

Polyporus versicolor

Porphyra tenera

Portulaca oleracea

Pouteria lucuma

Pouteria obovata

Prunus cerasifera

Prunus persica

Prunus salicina

Prunus spinosa

Psidium guineense

Ptychopetalum olacoides

Pueraria lobata

Pueraria mirifica

Pueraria thunbergiana

Punica granatum
Pyrethrum parthenium
Rauwolfia vomitoria
Renealmia nutans
Rhaponticum carthamoides
Rhodiola Rosea
Rhodymenia palmata
Ribose
Richeria grandis
Rorippia nasturtium-aquatica
Rosa canina
Rosa moschata
Rosa rubiginosa
Rozites caperatus
Rubus arcticus
Rubus chamaemorus
Rubus glaucus
Rubus suavissimus
Rumex acetosa
Rumex crispus
Rumex rugosus
Ruscus aculeatus
Russula claroflava

Russula decolorans

Russula paludosa

Russula vinosa

Rutin

Saccharina latissima

Salacia reticulata

Salicornia europea

Salvia hispanica

Salvia miltiorrhiza

Satureja hortensis

Schinus terebinthifolius

Schisandra chinensis

Schizonepeta tenuifolia

Sclerocarya birrea

Selenicerus megalanthus

Serratiopeptidase

Sesamum indicum

Silver

Silybum marianum

Sinocalamus oldhamii

Siraitia grosvenorii

Smallanthus sonchifolius

Smilax officinalis

Solanum angulatum
Solanum hirsutissimum
Solanum muricatum
Solanum quitense
Sorbus aucuparia
Sorghum bicolor
Sphaerotrichia divaricata
Sphingo-lipids
Spirulina sp.
Splenopentin
Spondias lutea
Spondias mombin
Spondias purpurea
Stachyose
Stachys affinis
Stachys sieboldii
Stemmacantha carthamoides
Stevia rebaudiana
Streptococcus salivarius
Suillus luteus
Suillus variegatus
Synsepalum dulcificum
Syzygium jambos

Tamarindus indica
Tanacetum parthenium
Taraxacum officinale
Taraxacum vulgare
Terminalia arjuna
Terminalia chebula
Tetragonia tetragonoides
Theobroma cacao
Theobroma grandiflorum
Thymopentin
Thyrsostachys siamensis
Thyrsostachys regia
Tinospora cordifolia
Tragopogon porrifolius
Trametes versicolor
Trapa natans
Tribulus terrestris
Tricholoma matsutake
Trifolium pratense
Trigonella foenum-graecum
Triticum
Triticum aestivum
Turnera diffusa

Ulva lactuca

Uncaria surinamensi

Uncaria tomentosa

Undaria pinnatifida

Urtica dioica

Vaccinium macrocarpon

Vaccinium myrtillus

Vaccinium oxycoccus

Vaccinium uliginosum

Vaccinium vitis-idaea

Valerianella locusta

Vigna catjang

Vigna sinensis

Vigna subterranea

Vigna unguiculata

Viscum album

Vitis vinifera

Volvariella volvacea

Withania somnifera

Xanthoparmelia scabrosa

Xanthosoma sagittifolium

Xanthosoma violaceum Schott

Young Tissue Extract from incubated hen's eggs

Zea mays

Zeolite

Zerumbet speciosum

Zizania aquatica

Ziziphus jujuba

Ziziphus vulgaris

Ziziphus zizyphus
